Re: In The Matter of the Tomorrow Energy Corp For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted August 9, 2019) - PSC Docket No. 12-418

Dear Mr. Bassett,

The Delaware Public Service Commission ("Commission") is in receipt of the submitted by Tomorrow Energy Corp ("Company") for certification to provide electric supply services in Delaware. The submission does not comply with the Supplier Rules and additional modifications are below:

Section 6.0, 7.0, 8.0 Contract and Contract Summaries

- Please include an actual contract that would need to be signed to initiate service.
- Identify the customer class served at the top the contract summary and terms of service.
- Include the Fixed rate at the top of the contract summary and terms of service.
- Include the product and product description on the contract summaries.
- Explicitly identify (amount) all fees on the contract summary and in the terms of service, including the early termination fee and the account management fee.
- Include the full Right to Rescission policy on the contract summary and terms of service.
- If one of the options for renewal is a month to month variable product, please include this on the contract summary and terms of service.
 - In the terms of service, include a variable section under the price section that complies with the Supplier Rules.
 - Include the option for the customer to return to SOS on the contract summary and terms of service.
- In the terms of service, under Term; Renewal; Renewal Process modify the first sentence to read: "Your Initial Term under this Agreement will be as indicated in your TPV, Customer Enrollment Form, and Electronic Application and confirmed in your Contract Summary."

Staff respectfully requests a response to this notice of deficiency on or before November 1, 2019. Should you have any questions or if I can be of any assistance you may contact me at (302) 736-7539 or send questions by email to Clishona.Marshall@delaware.gov.

Sincerely,
